STANLEY'S PEST CONTROL – The #1 Choice for Pest Control, Elimination & Remediation

Stanley's Pest Control is a national pest control service company that operates 24 hours a day, 7 days a week. We help bring peace of mind when small critters make you feel like you are going to lose yours!

Owning and managing a home or an office is hard enough without having to worry about a rodent or insect infestation. If left unchecked mice, rats and insects like termites or cockroaches can take over your residential homes and offices destroying their foundations from the inside out.

At Stanley's Pest Control our greatest priority is our customer's mental and physical well-being followed by the protection and remediation of their valued assets. We have helped thousands of home and business owners with their pest problems, at affordable rates, making us one of the most highly recommended pest control companies in the US.

Why Stanley's Pest Control?

Stanley's Pest Control is a well-rounded company that offers a wide variety of different pest control, elimination and remediation services for both residential and commercial properties. At Stanley's Pest Control we pride ourselves on:

- Using the latest in pest control and inspection technology
- Being a National company operating in many States around the U.S.
- Having a wide network of local partners
- Highly trained and experienced representatives
- Providing 24/7 support as well as emergency services
- Exceptional customer service
- A less than 24 hour response time from call to remediation and/or inspection
- Affordable rates with NO hidden charges

With the highest quality service at competitive rates, Stanley's Pest Control is the ultimate solution to all your pest problems. Protect your investment, call us today!

Our Services

We offer a diverse range of pest control and pest elimination services each tailored to be as effective as possible for desired results. We eliminate and control all kinds of pests including insects, birds, and rodents.
